Re: TEA School Ratings

Congratulations!

Texas Education Agency announced today that Harmony School of Excellence got EXEMPLARY rating in its first year of operation. HSE is one of the few exemplary charter districts all across the state of Texas (There are only 8 exemplary charters in 2007). In 2007, only 2.2% of all public schools districts and 7.9% of all public campuses are rated as exemplary.

It is my pleasure to congratulate all of our hardworking students, dedicated staff members, and supportive parents for this achievement. As HSE family we can be proud of being one of the best schools in the state.

Again, congratulations and thank you very much for a job well done.

Keep up the good work!

Sincerely,
Kadir Almus, Principal
